Subject: RE: [EXTERNAL]Dealer convention结算单-康辉会展

Dear Sicheng and Hui,

There are following changes between the statement and quotation:

Flight ticket quantity: DS China invited our new retail partner (浙江物产) to join our meeting, thus 3 more guests are invited.

In the afternoon, 2 team buildings (dealer test drive and group activities) are held, thus one coaster is also charged.

In the meeting, 2 additional motional activities (cultivating and ice-breaking) are added, which is the cost in "start the props"

Any comments or concerns, please feel free to contact Nancy or me for details.

Thanks.

Best regards,
Xiaojing
