CONTEXTUAL INSIGHTS

PHYSICAL

Chengdu is situated in the middle of Sichuan Province, and belongs to inland zone. At the bottom of Sichuan basin is the eastern part of Chengdu, forming the heartland of Chengdu plain where the land is profound and fertile with favorable topographic and climate features – giving Chengdu the title ‘Land of Abundance’.

HISTORICAL

As far back as Tang Dynasty, Emperors have brought large groups of poets, painters, artists of many trades into the city. With an open-mind and gradually developing into a modern city of sophistication, over time Chengdu developed its own opera, painting, cuisine, all of which contributed to the formation of it’s culture. Notably ‘Bian Lian’ face changing opera is synonymous with Chengdu.

SOCIAL

Chengdu is a city covered by rivers and wondrous natural landscapes with flowers blooming all year round. It’s been praised in the past as Oriental Paris. Chengdu people are relaxed and tend to a leisure oriented lifestyle. They maintain the gentler rhythms of life which incorporates visits to tea houses and games of mah-jong as part of the daily flow. Propelled by Chengdu women's enthusiastic for beauty, many with disposable income flock into this prosperous market. DU' TITUDE

都·姿态

The design concept of Du'titude' render the progressive, full beam yet super chilled citizens of Chengdu.

Gradually through the process it has evolved into the core of the design motto.

- Set stage of all the actions, paying homage to the rich cultural attributes of Sichuan, punctuated with twisted patterns of broches and masks, all interwoven to allure those seeking cultivated taste and into Chengdu state of mind...

A Sichuan Opera Proverb:

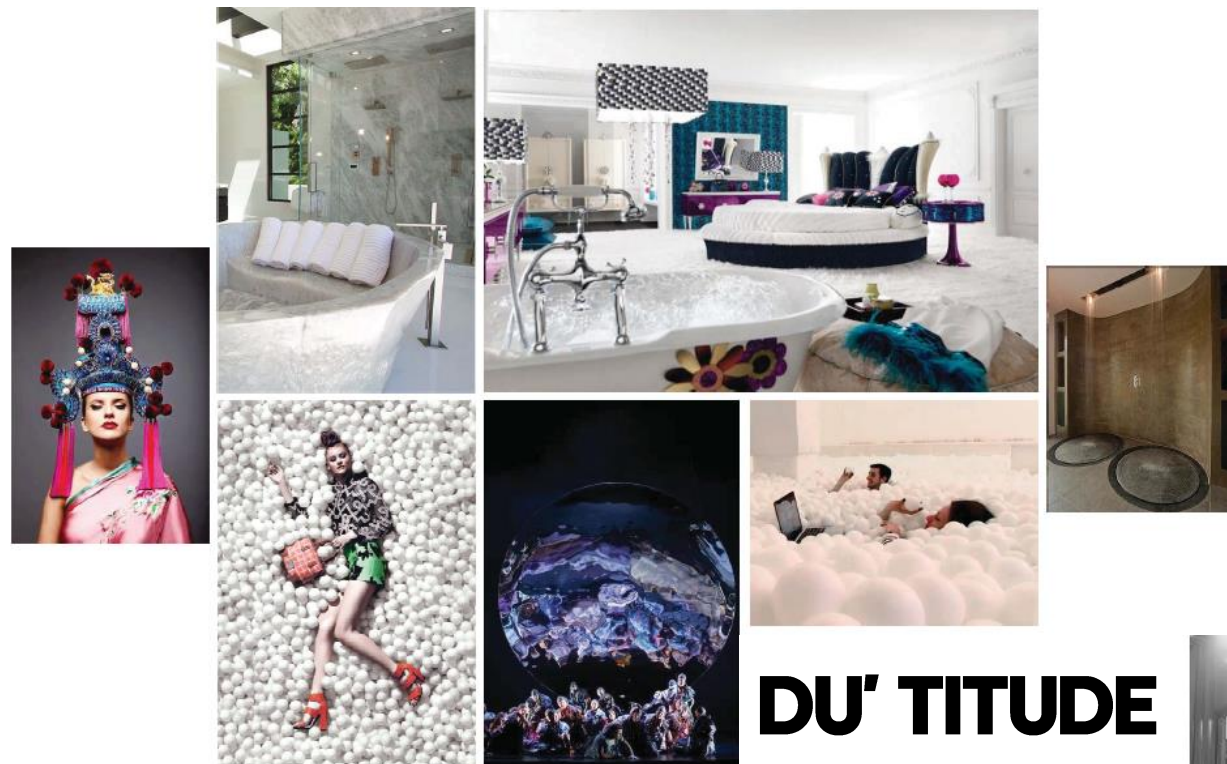

"Found on earth, can be found in Opera, Whatever exist, exist from nothing"

“都·姿态”的设计理念展现了成都市民的积极上进，活力四射。

设计循序渐进突出此格言的核心。

——贯穿所有区域，向四川丰富的文化属性致敬，穿插着别致的胸花和面具图案，相辅相融，吸引着高雅品味的人，感受成都心境.....

川剧谚语：
“世上有，戏上有，有的也有，没有的也有！”
