The Rustic Charm of Fishing Villages

在北纬23度的海岸线上，存在着处远离尘嚣的净土；它有“天下第一奇石”及深厚的人文历史；也有海角的灯塔，聆听着来自大海深处的呼唤；还有天空之境的朝阳，照亮了我们前进的方向；当万家灯火映衬夕阳时，讲出《左耳》的故事；而我们的故事，便从福建，东山岛开始...

Along the coastline at 23 degrees north latitude, there lies a pristine land far away from the hustle and bustle of the world. It boasts the "Strangest Rock Under the Heaven" and a rich history and culture. There stands a lighthouse at the cape, listening to the whispers from the depths of the sea. There also shines the sun rising above the mirror-like sky, illuminating the path ahead of us. As the twinkling lights of countless homes reflect against the setting sun, a story from "The Left Ear" unfolds. And our story begins in Dongshan Island, Fujian Province...

Known as the "Most Unique Rock Under the Heaven," the Fengdong Rock is pointed at the bottom and round in shape, resembling a fairy peach. 鱼骨沙洲

Fishbone Shoal

鱼骨沙洲位于岐下村内海与外海的交界处，海潮从东岸退去，从西岸回来，形成的旋涡汇聚海砂，不断沉淀，这才有了如露出脊背的大鱼般的沙洲。沙洲每天都在变化，涨潮时只有数亩，退潮后可达500多亩。

Fishbone Shoal locates at the junction of the inner and outer seas within the village of Qixia. As the tides ebb from the east coast and return from the west coast, the vortices formed converge seabed sands, which continue to settle, eventually creating a shoal resembling the backbone of a large fish exposed above the water. The shoal changes daily, covering only a few acres during high tide but expanding to over 500 acres after low tide.

南屿灯塔

Nanyu Lighthouse

南屿双面海位于南门湾和屿南湾之间，顺着退潮时的海上道路可以走到对面的岛屿上，就能打卡电影《你的婚礼》里绿白相间的南屿灯塔，在碧海蓝天的映衬下，拍一组文艺的青春回望照片，体验当电影主角的感觉。

Nanyu Double-Sided Sea situates between Nanmen Bay and Yunan Bay. By following the path on the sea during ebb tide, one can walk to the opposite island and visit the green and white Nanyu lighthouse featured in the movie "Your Wedding." Against the backdrop of the azure sea and sky, you can take a set of artistic and nostalgic photos, experiencing the feeling of being the protagonist in a movie.
