Colorful Guizhou

贵州地处中国西南部，冬无严寒，夏无酷暑，年平均气温15.6℃，是理想的避暑休闲度假胜地。贵州是个多民族的大家庭，在各民族的生活方式与生产方式中蕴藏着古朴淳厚、绚丽多姿的原生文化，被称为“原生态的秘景”。

Guizhou is located in the south west of China. The yearly average temperature is about 15.6℃. It is an ideal summer vacation destination. Many minorities live in Guizhou Province. People here have been living harmoniously with nature. Their simple and primitive culture, traditions and the life styles have been well preserved. Therefore, Guizhou has been called a “Natural Ecological Museum”.

贵阳因位于境内贵山之南而得名，已有400多年历史。古代贵阳盛产竹子，以制作乐器“筑”而闻名，故简称“筑”，别名“林城”、“筑城”。贵阳凉爽的气候赢得“中国避暑之都”美誉。

Guiyang got its name due to its location in the south of Gui Mountain, this city already has a history of 400 years. The ancient Guiyang was rich in bamboo and famous by making “Zhu” (same pronunciation to bamboo in Chinese) which is a kind of musical instrument, therefore people call Guiyang “zhu” for short, or “Forest City”/“Zhu City”. The cool weather makes Guiyang gain the reputation of “China Summer Vacation City”.
