历史的厚重同未来的锋芒交织，在酒店铂色金晕下，与远方遥遥相顾，勾勒出时空对话的律动。北京通州万达酒店，以鎏金之韵为印，邀您叩响美好生活的新篇章。

Wanda Jin Beijing Tongzhou, Located on the Wanshengxi Comprehensive Transportation Hub in the Tongzhou Sub-center of Beijing, surrounded by numerous landmarks such as the Grand Canal Museum, the City Library, and the Green Heart Park, the project is invested by Beijing Capital Group. The entire project adopts an integrated design of commercial and hotel facilities, drawing inspiration from the starting point of the Beijing-Hangzhou Grand Canal. With the artistic conception of "sailing sails and boats", it integrates the thousand-year-old grand canal scenery. It not only boasts the vibrant and diverse elements of Universal Beijing Resort but also enjoys the serene flow of the Xiao Taihou River.

The weight of history interweaves with the sharpness of the future.
